

Author Guidelines

Preparation of manuscripts

Manuscripts must be submitted in **electronic version only**, as well as the original figures and tables. The manuscript's text should be single-spaced throughout and with 25 mm margins, including References, Tables and Figures on A4 paper format using a standard font (e.g. MS Word, Times New Roman, 12 punt).

Title Page

The title page should include: The name(s) of the author (s), A concise and informative title, The affiliation(s) and address (es) of the author(s). The e-mail address of the corresponding author.

Abstract

Abstract should not exceed 250 words in research papers, the abstract should not contain any undefined abbreviations or unspecified references.

Keywords

Please provide 3 to 5 keywords which can be used for indexing purposes.

Main Text

For submission in MS-Word (doc) or Pdf format, Table and Figures must be embedded within the text, accordingly. The preferred position of tables and figures in the text should be indicated in the left-hand margin. Including illustrations, tables, and references, original contributions should not exceed 15 manuscript pages, all single-spaced. Figures and Tables must be limited to an essential minimum.

References

All references should be cited in the text; see below for details.

References should be cited in the text by author and date, e.g. Turan, 2007 or Erguden and Turan, 2013 or Gurlek *et al.*, 2014. Joint authors should be referred to by *et al.* More than one paper from the same author (s) in the same year must be identified by the letters (2015a, 2015b, etc.), placed after the year of publication. Listings of references in the text should be chronological. Full name of the journal must be given in the references list, and Journal name must be italic. At the end of the paper, references should be listed alphabetically according to the first named author.

The structure of the manuscript:

1. Title page (title, authors full name, authors affiliation, corresponding author);
2. Abstract page (Abstract, Key words);
3. The main text of the manuscript (Introduction, Materials and Methods, Result, Discussion). Table and Figures must be embedded accordingly within the text.
4. References;
5. Acknowledgements.
